## About Me

My name is Jonas Rutz. I am 17 years old, and I am currently a student at the IMS (Informatikmittelschule) in St. Gallen since summer 2023. The IMS program focuses on IT and gives me the chance to explore my interest in computer science and technology. Besides my studies, I am very passionate about sports and e-sports. Physical activity and competition keep me motivated, and in e-sports, I enjoy the strategic challenges and skills it requires.
